RED DEVIL

DEDICATION

We, the Senior Class of Hillsboro High School, do dedicate our annual, **THE RED DEVIL**, to our kind and generous parents, who, with their guidance and understanding, have made it possible for us to complete these four most important years.

Our yearbook is one of the most important achievements of our school life, and it is only fitting that we should dedicate it to those whom we hold most dear. Please accept this dedication, of our annual, as an expression of the love and the deep appreciation we have for you.

Graduates of 1954

FOREWORD

As we Seniors look out into the world, we see many new hopes and dreams waiting for us. We realize that soon we are to leave Hillsboro High School, so we now record the memories of our high school days.

We hope you will find as much pleasure in our annual as we have had in preparing it for you. May many happy memories come to those who turn the pages of this book.

When time has stolen our years, and we are no longer young, we hope its pages help you to recall all the smiles and tears, all the important events at Hillsboro High School. May our work be not in vain.

We present to you the 1954 Red Devil.

Realization of the past

At last we had found a very glad day
For we were freshmen, happy and gay,
Now the time has come to leave Hillsboro High
It took us four years, but time did fly.

We took up our books and studied each class,
Then took our exams and hoped we would pass,
We finished our classes and our progress was recorded,
But our teachers fine work went unrewarded.

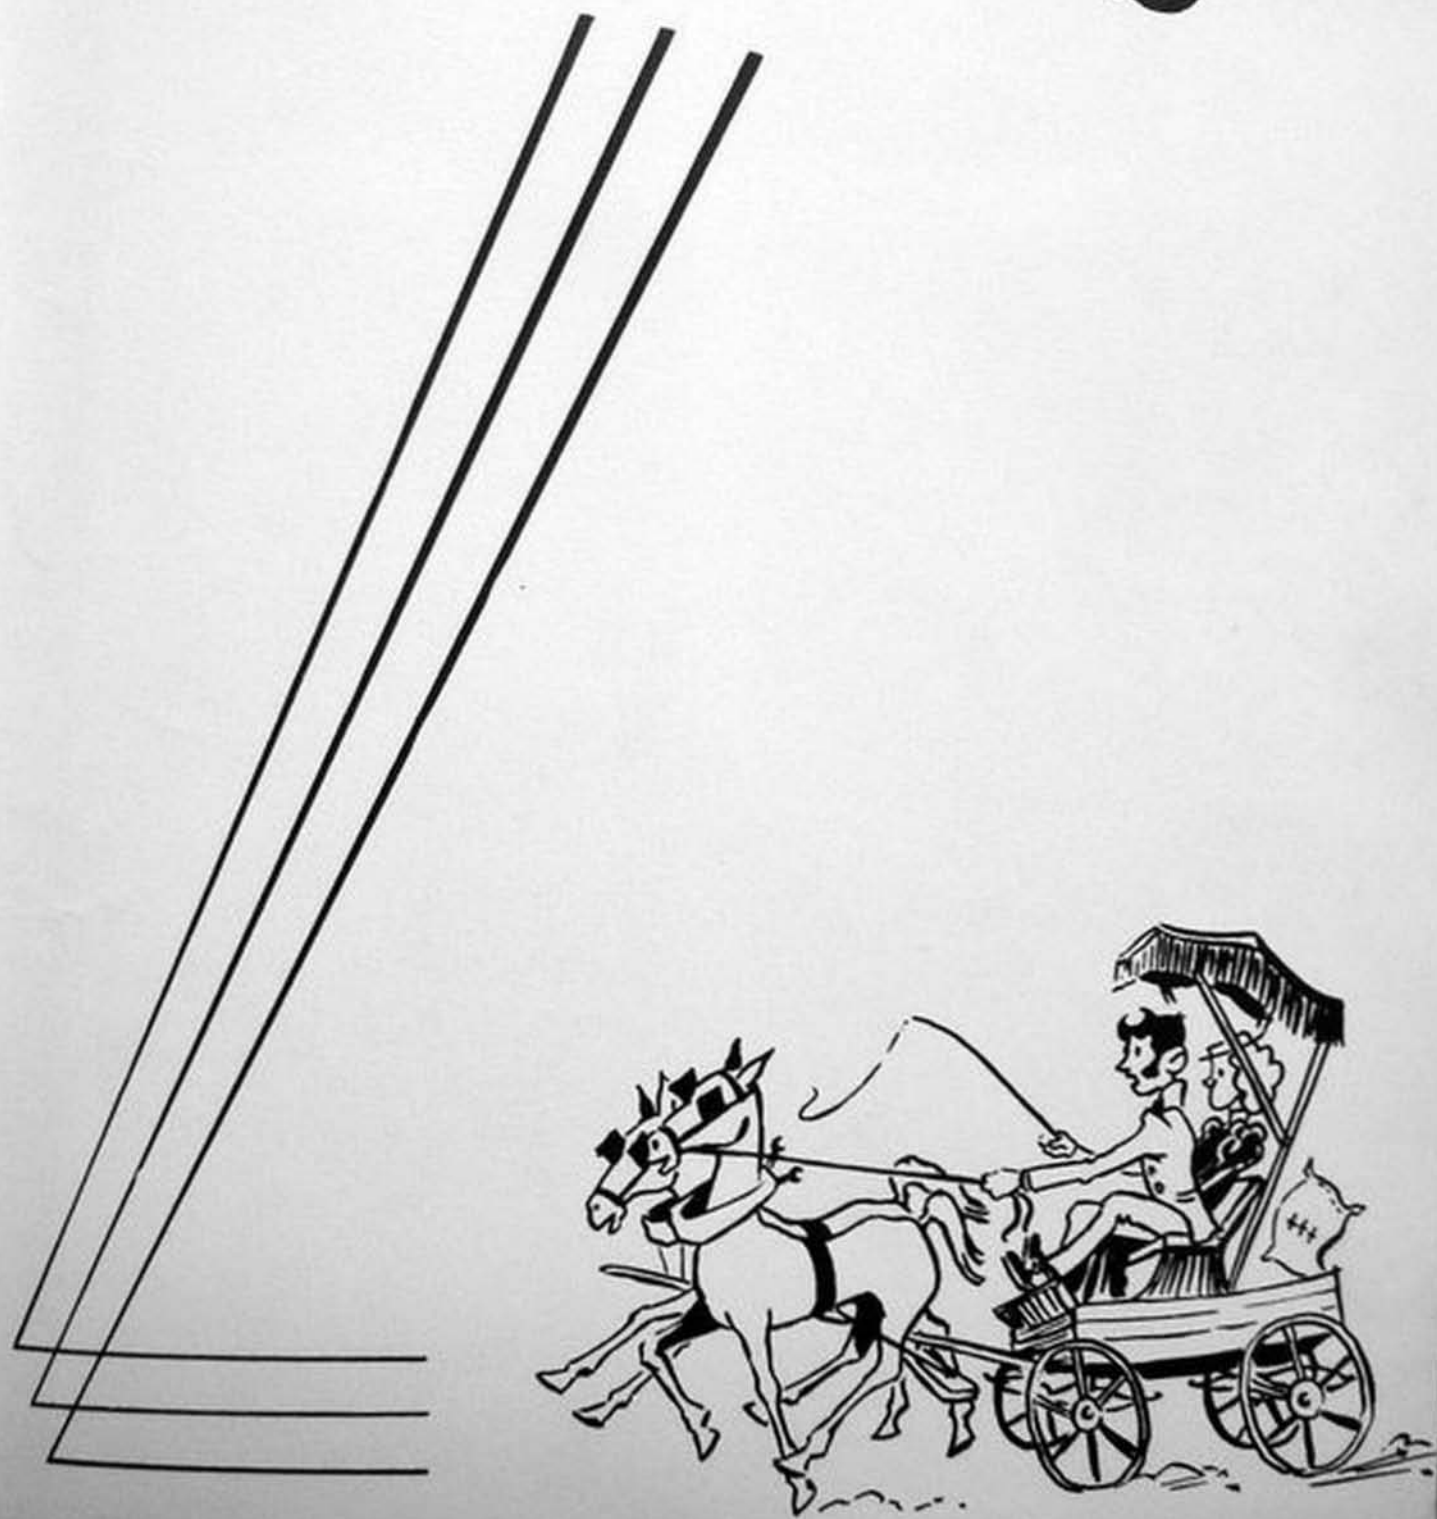

We must say good-by to our principal and faculty too,
They have been our friends, they were tried and were found true,
We have often been mean and mischievous,
Had they given us justice they might have beheaded us.

We got our diplomas, the 19th of May,
For us and our parents, it was a great day,
But as we looked back our eyes were filled with tears,
We remembered the happiness we knew the four years.

As we go out alone, our ambitions are strong,
That health and happiness will be ours long,
We shall think many times as the years roll by,
Of our friends and our teachers at Hillsboro High.

class history

There came to Hillsboro High in September, 1950, thirtyfive bright students, who were all eager to learn.

We elected for that year the following officers: President, Betty McComb; Vice President, Eddie Hoggsett; Secretary and Treasurer, Evelena Burks. Mr. LeRoy Jefferys was our sponsor.

We were given our Freshman and Sophomore Party, after wearing for three days, old overalls, high heel shoes, and women's dresses which we enjoyed doing.

During the freshman year we lost the following members; Henry Gum, Archie Carpenter, Carl Sandy, Doris Daniels, Frank Barrett, Gentellene Sharp, and Norma Gaylor. We were left with 28 at the close of the term.

In the fall of 1951, we entered our sophomore year under the direction of Mr. Lee Roy Hanna. Our class officers were: President, James Cooper; Vice President, Winters Rhodes; Secretary and Treasurer; Evelena Burks.

During that year some of our classmates left us. They were; Juanita Cook, Roy Lee Landis, and Trella Roberts. We decided to continue our long journey without them, knowing that in later years it would pay. At the close of the term, our class consisted of 25 members.

After a much needed vacation, we were glad to be back as Jolly Juniors. We were still under the leadership of Mr. Lee Roy Hanna. Our officers for that year were: President, Dotty Cloonan; Vice President, Carol Lee Shue; Secretary, Betty McComb; and Treasurer, Gloria Sharp.

Evelena Burks quit during the year leaving us 24.

Dotty Cloonan was chosen school cheerleader for our junior and senior year.

Our class rings arrived November 25, 1952. We gave our junior play, entitled DON'T BE BASHFUL, on March 6, 1953, under the direction of our sponsor, Mr. Hanna. In May, 1953, we gave the junior and senior banquet. The sophomore girls did the serving. For our theme we chose the "Maypole."

During our summer vacation Nancy Starks was married to Allen Young.

At last we have entered our senior year. This is the year to which we were all looking forward, especially our sponsor Mr. Hanna, who has put up with us faithfully for three years. Mr. Hanna has also helped us publish our 1954 RED DEVIL. During our senior year we elected the following officers: President, Bobby Hollandsworth; Vice President, Curtis Dever; Secretary, Dotty Cloonan; Treasurer, Sharon Starks; and Historian, Gloria Sharp. Our cheerleaders are Dotty and Sharon.

During our senior year, Mary Dolan quit and is now working in Richmond, Virginia. Loren Dale Clutter was called to serve his country.

SENIORS

Thelma Pyles is little and light,
She gets her lessons with all her might.
She has blond hair and blue eyes,
She does her best with everything she tries.

Bobby Barrett is really a clown,
He has eyes of blue and hair of brown.
He plans to be a mechanic some day,
And everyone knows that he will earn his pay.

Clarice Rose is now a big girl,
Always neat and her hair curled.
She's not interested in boys,
But someday they will be her joys.

To be a waitress is one of Martha Stanley's desires,
She is a girl whom everyone admires.
For everyone she has a smile,
But we know a Cutlip has her eye.

Donald Hollandsworth is Bobby's brother,
Always laughing, and teasing his mother.
Barbara is his pride and joy,
He'll probably be the father of two boys.

Flirting is Winters Rhodes' delight,
But at football he plays with all his might.
He has brown hair, and a great big smile,
And he's seen in Virginia once in awhile.

Hattie Jane Brock is tall and strong,
She says she won't be a Brock long.
She has her heart set on housekeeping,
For William she'll do all his sweeping.

Carol Lee Shue has brown hair,
And for Jerry she does care.
When he's home, she goes his way,
But when he's gone, she's never gay.

Eddie Hogsett, known as "Speed,"
In everything he takes the lead.
He plays football and is fairly good,
But is always character in school.

Nancy Young is now a housewife,
She says she's enjoying life.
Cooking and cleaning,
While Allen is forest ranging.

Dotty Cloonan is a dark haired lass,
She is Secretary of the Senior Class.
She does her best with all the cheers,
She's been a cheerleader for 2 years.

memories

Shelton McKeever is funny most of the time,
But he gives all the girls the same old line.
With eyes of blue and hair of black,
Determination he does not lack.

William Pyles who's known as Billy,
When ever he's seen he's acting silly.
He is very slim and tall,
His favorite sport is basketball.

Sharon Starks is never sad,
By her side, you always see a lad.
She keeps them all out on a limb,
But to her it is always "Clem."

Janice La Rue is the class flirt,
To hear her talk, boys are dirt.
But when it comes to singing,
You can always hear her voice ringing.

Essie Blake is one of the quiet gals,
She stays close home and has lots of pals.
She lives on Droop and lives a quiet life,
Someday she'll make some man a good wife.

James Cooper is a mighty man,
Always lending Sharon a helping hand.
But when he's gone from the Hillsboro land,
His footsteps will be left in the sand.

One of the small boys is Penick Rose,
What he'll do next no one knows.
He has brown hair,
And from no one will he take a dare.

We know a boy whose name is Curtis Dever,
He's always friendly and clever.
He has black hair, and is always neat,
We all know he is hard to beat.

Gloria Sharp is a freckled lass,
She makes good grades in every class.
She has red hair, and a big smile,
Someday, she'll be walking down the aisle.

Bobby Hollandsworth is a blond haired lad

class prophecy

Shelton and I decided to take a trip around the world, and while we were gone we looked up our old classmates of 53-54. We just returned and here is our report.

Our first stop was in New York at the Million Dollar Hotel. There we found the owner to be none other than Curtis Dever. During our visit there for entertainment, we went to the Golden Night Club, and the star of the show was Janice LaRue, an opera singer.

We learned from Janice that two more of our classmates were in New York. They were William Pyles and Dotty Cloonan, who were engaged to be married. William now owned the Pyles Fashion Store and Dotty was a model in his store.

The next day we left New York and traveled to Hillsboro where most of our friends still were living.

The first of our classmates we met was Penick Rose who was a prosperous farmer and owned all of Hillsboro. Penick told us that Bobby Hollandsworth was ruler of Europe and that Sharon Starks was still having money problems as she was Treasurer of the United States.

During our stay at Hillsboro I stopped in at the Beauty Parlor, and found two well-known friends, Hattie Brock and Martha Lee Stanley. They told me they were doing a wonderful business and were also in partnership. Martha told me Nancy Young was still living at Williamson with a family of twelve.

We decided to visit Hillsboro High School before we left dear old Hillsboro once more. The principal, who met us at the door, was Clarice Rose and her private secretary was Essie Blake.

Bobby Barrett was a stock-car driver and was holding the record.

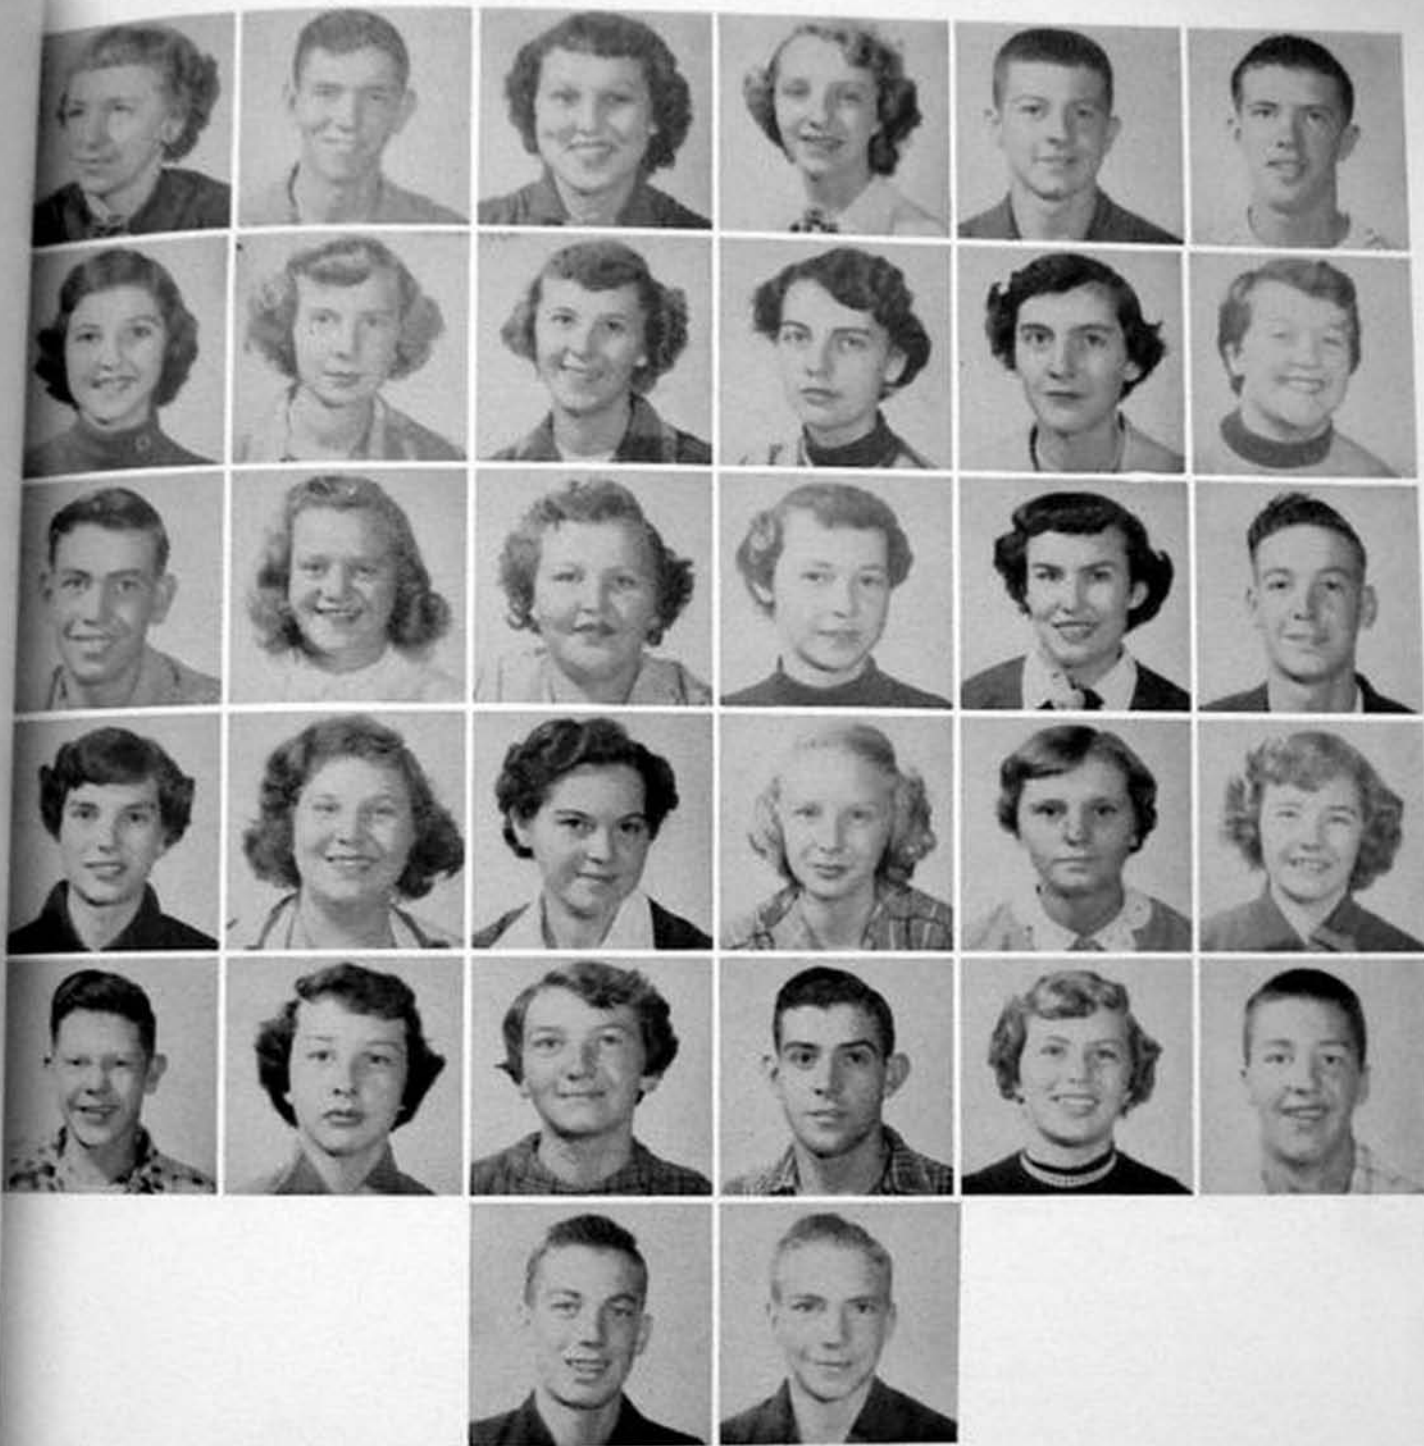

Someone told us Donald Hollandsworth was still living at Hillsboro so we decided to pay him a visit. To our surprise Donald had finally married Barbara Bruffey and was getting along fine.

We then counted our classmates and found there were six whom we had not seen. We began to inquire about them and Donald told us to go to Seebert to see if any were there. We learned that none other than Thelma Pyles was running the post office. We wonder if she will ever leave her home town.

We asked Thelma about the rest of our classmates and she told us James Cooper was football coach at West Virginia University. Winters Rhodes is a well known movie star and he is working on his 19th picture. Jean Pate is in Hollywood competing in a beauty contest. Gloria Sharp and Betty McComb had joined the group of the Three Muskateers and were touring the country with Eddie Hogsett.
